## The Questionnaire Instrument

The Exit Interview Questionnaire provides you with critical information about the climate within your organization and the attitude of departing employees towards the company.

The questionnaire allows for your departing employees to offer suggestions for making your company a better place to work. By listening to your departing employees and acting upon the results you will

be able to identify organization-wide challenges and take corrective action.

Departing employees need only spend just a few minutes answering the standard or customized questions that you ask.

Innovative HR Solutions' Exit Interview Questionnaire is designed to examine a wide range of organizational issues quickly and efficiently.
